Rough	<input type="checkbox"/>
Weak	<input checked="" type="checkbox"/>

COMMENTS

NOTE: *Please cross-check this inspection report with the vehicle's service history and insurance claim records before purchasing. This report reflects the vehicle's condition at the time of inspection and does not guarantee future performance.*

* While checking the vehicle, it was found that an accident(major/total loss) had occurred on the rear right side and as a result, repair work had been carried out on this area.

* It appears that the front driver's seat airbag and rear curtain airbag have been canceled, and the front left seat airbag has burst and been folded inward.

* There is repaint with dent works in many parts of the body, the right side slide door has been replaced, and the wind shield glass has been replaced.

* The glass in the cluster is missing, and the driver's door pasting was done a second time.

* The right side slide door opening and closing is not working properly.

* The floor panel near the right door is cracked.

* Service is overdue, and it's time to replace the rear tires.

* At the customer's request, the vehicle inspection was stopped and the remaining checks were waived.
